October 14-15, 2020
West Des Moines Marriott
West Des Moines, IA

SESSION TITLE: Situational Awareness and De-escalation of Violent Situations

DESCRIPTION: This training will provide participants with information and tools that will help them not only recognize potentially dangerous or threatening situations, but provide them with instruction on what they can do to mentally prepare and potentially avoid these circumstances. This training will also provide them instruction on what the various stages of anger look like, and what they can do to de-escalate a potentially violent interaction or safely remove themselves and others from those situations.
